

## Equipping the Next Generation

Taking initiative. Asking good questions. Solving problems with creativity and determination. Using their voices to positively impact the world around them. We believe that our students represent the next generation of leaders. Linville Hill is committed to 4 days of academic instruction inside the classroom where students meet the requirements for graduation in PA. The 5th day of the week is dedicated to practical instruction in career readiness and skills development in a variety of careers and industries. These unpaid educational internship experiences occur on Fridays every semester in partnership with business owners who agree to create learning opportunities that build leadership and support the growth of each student.

## How We Do It?

Businesses who choose to walk alongside young people who are pursuing career exploration will need to follow these 5 simple steps...

### ONE

Call and schedule an appointment with our Business Partnership Director

### TWO

Sign a Business Agreement and submit Clearances

### THREE

Create learning goals with the school

### FOUR

Allow a teacher to do a student check in on a Friday

### FIVE

Complete a final Performance Evaluation

## What we do...

Linville Hill partners with regional businesses and organizations in cooperation with parents, and student advisors to offer practical instruction and career exploration for every student in grades 9-12. Each semester students will be offered a different internship experience for a total of 7 unique experiences.

September - December

January - May

12-13 assigned Fridays

6.5 hours each day

## Who Do I Contact?

If you would like to become a partner...
